

## Small Business Administration

## § 120.452

loan performance record unacceptable to SBA, failure to make the required number of loans under the expedited procedures, or violations of applicable statutes, regulations or published SBA policies and procedures. A CLP Lender may appeal the suspension or revocation made under this section under procedures found in part 134 of this chapter. The action of the AA/FA remains in effect pending resolution of the appeal.

### PREFERRED LENDERS PROGRAM (PLP)

#### **§ 120.450 What is the Preferred Lenders Program?**

Under the Preferred Lenders Program (PLP), designated Lenders process, close, service, and liquidate SBA guaranteed loans with reduced requirements for documentation to and prior approval by SBA.

#### **§ 120.451 How does a Lender become a PLP Lender?**

(a) An SBA field office serving the area in which a Lender's office is located can nominate the Lender, or a Lender can request a field office to consider it for PLP status. The SBA field office will forward its recommendation to an SBA centralized loan processing center which will submit its recommendation and supporting documentation to the AA/FA for final decision.

(b) In making its decision, SBA considers whether the Lender:

- (1) Has the required ability to process, close, service and liquidate loans;
- (2) Has the ability to develop and analyze complete loan packages; and
- (3) Has a satisfactory performance history with SBA.

(c) If the Lender is approved, the AA/FA will designate the area in which it can make PLP loans.

(d) Before it can operate as a PLP Lender, the approved Lender must execute a Supplemental Guarantee Agreement, which will specify a term not to exceed two years.

(e) When a PLP's Supplemental Guarantee Agreement expires, SBA may recertify it as a PLP Lender for an additional term not to exceed two years. Prior to recertification, SBA will review a PLP Lender's loans, poli-

cies and procedures. The recertification decision of the AA/FA is final.

(f) A PLP Lender may request an expansion of the territory in which it can process PLP loans by submitting its request to a loan processing center. The center will obtain the recommendation of each SBA office in the area into which the PLP Lender would like to expand its PLP operations. The center will forward the recommendations to the AA/FA for final decision. If a PLP Lender is not a CLP Lender in a territory into which it seeks to expand its PLP status, it automatically obtains CLP status in that territory when it is granted PLP status for the territory.

#### **§ 120.452 What are the requirements of PLP loan processing?**

(a) Subparts A and B of this part govern the making of PLP loans, except for the following:

(1) Certain types of businesses, loans, and loan programs are not eligible for PLP, as detailed in published SBA policy and procedures.

(2) A Lender may not make a PLP business loan which reduces its existing credit exposure for any Borrower, except in cases where an interim loan(s) has been made for other than real estate construction purposes to the Borrower which was approved by the Lender within 90 days of receipt of the issuance for a subsequent PLP loan number.

(3) SBA will not guarantee more than the specified statutory percentage of any PLP loan.

(b) A PLP Lender notifies SBA of its approval of a PLP loan by submitting to SBA's loan processing center appropriate documentation signed by two of the PLP's authorized representatives. SBA will attach the SBA guarantee and notify the PLP Lender of the SBA loan number (if it does not identify a problem with eligibility, and funds are available).

(c) The PLP Lender is responsible for all PLP loan decisions regarding eligibility (including size) and creditworthiness. The PLP Lender is also responsible for confirming that all PLP loan closing decisions are correct, and that it has complied with all requirements of law and SBA regulations.
